RELEASE OF LIABILITY

Miranda's Rescue is an organization that cares for animals that come from many different backgrounds; some have been abused, neglected, or abandoned. While we take every precaution to ensure your safety on our premises, there is a chance that you may at some time become injured during the course of your volunteer work, either by an animal or through another type of accident. We ask our volunteers to use common sense around the animals--do not approach an animal unless you are absolutely sure that it is friendly, do not tease or antagonize any animals, and be aware of your surroundings at all times. Volunteers are required to sign the following affidavit:

I, \_\_\_\_\_, agree to hold Miranda's Rescue harmless for any injuries I receive on Miranda's Rescue property or through the course of my volunteer work for Miranda's Rescue in other locations.
