## GOBBLE GOBBLE, HO-HO-HO & HAPPY NEW YEAR

**G**reetings to all of our supporters! We hope that everyone is safe and warm and joyful this Holiday Season which is our wish to you from all of us at Miranda's Rescue!

### IT'S A FAMILY AFFAIR!

I believe it's every parents dream, when you own a business, to have your children grow up, become adults, and are then able to help run the family business. For me, that family business is Miranda's Rescue, which has been my passion for my whole life. This is my 29<sup>th</sup> year of rescuing, rehabilitating and rehoming neglected and abused animals. Now ALL of my children are here with me running Miranda's Rescue along with our entire team of employees and volunteers.

My oldest son, Blake, is our Ranch/Rescue Manager. My daughter, Mikayla, has come back as our Rescue Office Manager and my youngest son, Logan, works full time at The Creamery and lives on the property where he is able to offer any extra help wherever it is needed. Finally my grandson, Radley, is busy watching and listening and learning all about what his Grandpa Shannon has been doing for almost 3 decades. I absolutely love and adore my family and I am thankful that Miranda's Rescue will be ready to help because of my children's belief in what I started and what I do.

## ANIMALS, ANIMALS, ANIMALS

Miranda's Rescue has been in operation for nearly 30 years & being able to provide vet care and food and shelter for the multitude of animals that have been saved by Miranda's Rescue takes a lot of physical work and finances. Your support is always appreciated! We invite you to visit our website [mirandasrescue.org](http://mirandasrescue.org) and click on "Donate" under Make a Donation. We thank you for considering Miranda's Rescue as the right place to donate. Please contact our Treasurer, Brian Paris, at (707) 616-5743 with any questions.

## THRIFTY SHOPPING

This Holiday Season remember to visit one of our 4 Miranda's Rescue Thrift Stores in Fortuna, Eureka, Arcata, and McKinleyville and find a great deal on many gifts and household items, including furniture. Please contact our District Manager, Brigg Paris, at (707) 832-2083 with any questions concerning our stores or donations.
